KIDUNG BY RWD

KIDUNG BELIEVES THAT ART DOES NOT ALWAYS NEED TO EXIST IN A FORMAL FORM. ART CAN BECOME AN EVERYDAY CONVERSATION, A SPACE FOR SOCIAL REFLECTION AND EVEN A SAFE SPACE TO EXPERIENCE EMOTIONS MORE HONESTLY.

Kidung by RWD is an independent gallery and art space founded by R Wisnu D and eRno Nyaman in Yogyakarta. Born from the need for a more open, intimate and collaborative art space, Kidung by RWD exists not only as a place to exhibit artworks, but also as a living space for ideas, dialogue, experimentation and the growth of creative communities.

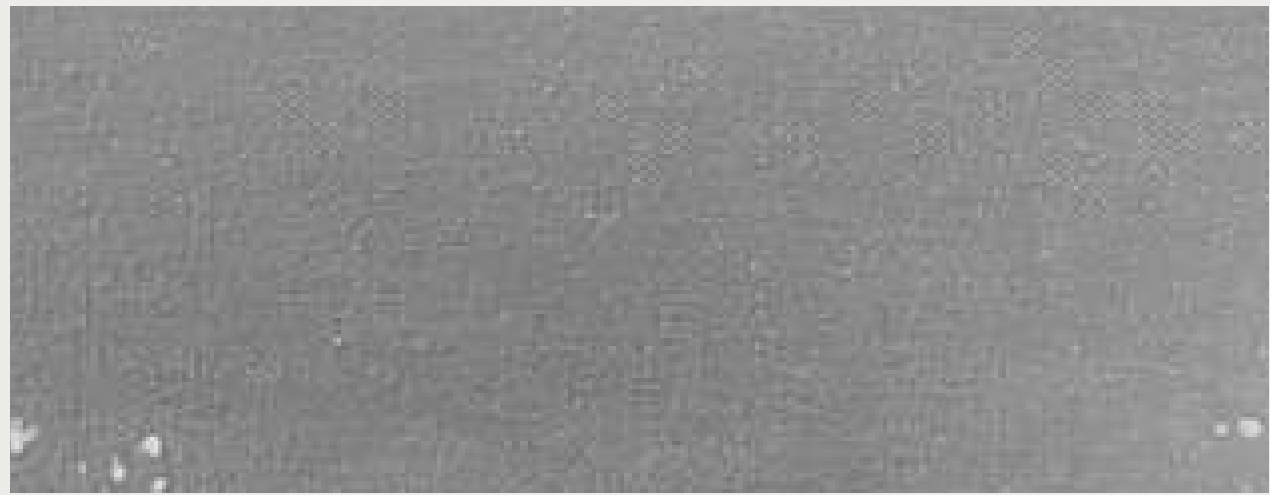

The name “Kidung” is derived from a word associated with chants, poetry and expressions of the inner self. This philosophy forms the foundation of Kidung by RWD: art is not merely an object, but a human voice expressed through various mediums.

Kidung by RWD embraces multidisciplinary artistic practices, including visual art, sound, sculpture, photography, installation, performance art, multimedia experimentation, educational programs and art discussions.
